

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

United States of America,

Case No.: 2:24-cr-00168-CDS-DJA

Plaintiff

Order Denying Stipulation to Continue
Motion Deadlines and Trial Dates
(Fourth Request)

Antoine Vernon Mouton,

[ECF No. 19]

Defendant

10 The parties stipulate to continue the trial date from March 24, 2025, to a date no sooner
11 than June 9, 2025. ECF No. 19. The stipulation represents that this is the second request to
12 continue the trial dates, however the court notes that this is the parties' fourth request. *See* ECF
13 No. 9; ECF No. 11; ECF No. 16; ECF No. 19. The parties indicate this request is necessary because
14 Mouton's counsel "needs additional time to conduct investigation in this case in order to
15 determine whether there are any pretrial issues that must be litigated and whether the case will
16 ultimately go to trial or will be resolved through negotiations." *Id.* at 2. But this is the same
17 reason stated in the parties' previous stipulation requesting a trial continuance.¹ ECF No. 16.
18 Without more information, I cannot find good cause to grant another continuance. Therefore,
19 the fourth request to continue motion deadlines and trial dates [ECF No. 19] is DENIED.

Dated: February 27, 2025

Cristina D. Silva
United States District Judge

¹ This is essentially the same reason provided in the first and second requests to continue, however the court is aware that previous counsel withdrew in November 2024. ECF Nos. 9, 11, and 13.
